

VOLUNTEER SOLUTIONS

United Way and Volunteer Center Edition

Volunteer Solutions is a volunteer matching application that helps organizations connect individuals to volunteer opportunities in their community all year long. This technology solution for civic engagement provides organizations a fully customizable web presence to promote volunteer opportunities and events. With Volunteer Solutions you also have a robust reporting system to track interests, hours volunteered and total volunteer impact. This tool is fully customizable to help Volunteer Centers and United Ways better manage their internal volunteer referral program while saving time and money in program administration.

WITH VOLUNTEER SOLUTIONS, YOU CAN:

- Convert all of your paper records to an online paperless system
- Gain an online presence or add more functionality to your existing web site
- Provide immediate access to your volunteer opportunities, 24 hours a day and 7 days a week
- Offer your member agencies valuable targeted volunteer recruitment services
- Use powerful administrative tools to track volunteer trends in your region and through your organization
- Allow your staff to focus on more insightful activities
- Track and report on volunteer referrals more efficiently
- Track and report volunteer hours in your community
- Track and report the hours logged by volunteers in your community
- Quantify and report on your impact in your community
- Gain broader online exposure to help your agencies find the volunteers they need
- And much, much more ...
