

Clifford

Book Drive

Help us give books to
the children of low-
income families!

Clifford (the big red dog), is a well loved children's character and it's our goal to bring him into as many new homes as possible. **You can help** by donating **NEW** copies of the Clifford books - just drop them off at any of the drop boxes we've set up around town.

Including:

- *Denton Public Libraries
- *Barnes & Noble at the Golden Triangle Mall
- *UNT Campus (SLTR Office - Chilton 238A & International Admissions Office - Information Science Building)
- *Riding Unlimited - Ponder, TX
- *First United Methodist Church - Denton, TX

If you give a child a
book...

At the **Success for Life Through Reading Program** we aim to instill the love of reading to low-income preschool children in the City of Denton while they gain knowledge and skills that they need to succeed in school and life. Each semester UNT student volunteers adopt a classroom from an agency that serves low-income families, conduct one-hour weekly reading sessions with children, and donate one book for each child to take home per session.

...they will be
successful in life.

SUCCESS FOR LIFE THROUGH READING

A 100% volunteer-based outreach literacy program for low-income preschool children
